

HOSSEIN-KELISA

Web Developer

+31-0630523311 Hossein.kelisa@gmail.com Leiden, The Netherland
★ Authorised to work in the Netherlands

EXPERIENCE

Software Developer Intern

HackYourFuture 2024 - 2025 Amsterdam, Netherlands
www.hackyourfuture.net

- Gained hands-on experience with HTML, CSS, JavaScript, React, Node.js, and MySQL.
- Built and deployed real-world projects individually and in teams using Git, GitHub, and Agile methodologies.
- Practiced problem-solving, code reviews, and collaborative development through pair programming and group assignments.

Accountant

Azar Morgh 03/2018 - 12/2022 Tabriz

- Worked as an **Accountant** at Azar Morgh, a large poultry company.
- Managed invoices, financial reports, and check issuing.
- Used **Rahkaran** accounting software for daily financial operations.

EDUCATION

Web Development

HackYourFuture 11/2024 - 06/2025

Bachelor's Degree in Industrial Engineering

Payame Noor University 09/2011 - 05/2016

PROJECTS

Community Item Sharing App

SharingWithUs is a web app that helps people share and borrow items in their community. It includes user profiles and item listings to make borrowing easy.

- Built the frontend using **React** and **React Router**
- Created a backend using **Node.js**, **Express**, and **MongoDB**
- Added user registration and login with **JWT token**
- Implemented **item listing**, **filtering**, and **borrowing** system
- Used **SweetAlert2** for clean user messages
- Followed good GitHub practices like using branches and writing a clear README file

Tic-eng.com

Tic is a company website for an engineering business offering **Testing, Inspection, and Certification (TIC)** services. The site presents the company's services, industries, and contact details with a clean, modern layout. Built with a focus on clarity, responsiveness, and professional presentation.

- Built the frontend using **React** and React Router.
- Created the backend with **Node.js**, **Express**, and **MongoDB**.
- Added user registration and login with **JWT token**.
- Implemented a service request form for inspection appointments and share feedback/comments.
- Deployed to a custom domain: www.tic-eng.com.
- Set up a professional email system using the domain.

SUMMARY

I'm a motivated and thoughtful team player who enjoys working with others, sharing ideas, and solving problems together. I care deeply about doing meaningful work, supporting people around me, and staying open to feedback and learning. My positive attitude, curiosity, and respect for different perspectives help me grow and contribute in any team environment.
